## DISTRICT SALE ROTA

2017 SALE SEASON

Following feedback from mart users, Lewis and Harris Auction Mart has made changes to the structure of the sale rota for the 2017 season with the aim of providing a fairer rotation for the districts across the sale season.

The first three sales of the season follow the pattern from the previous year with the districts moving up one place on the rota at each sale. For the fourth sale, a new ballot is drawn for commencement of the rota into the next year.
